8. Chandni Chaudhary
9. Meenakshi Bahuguna
10. Devendra Singh

Other Members in the meeting:

1. Jyoti Dabral
2. Priyanka Bachheti
3. Rajni Juyal
4. Poonam Panwar
5. Geeta Devi
6. Bhagwati Prasad
7. Harish Sharma
8. Deeksha Panwar

1. On the occasion of Independence Day the flag is hoisted by the presence keeping all social distancing properly. All the members followed the protocol of Covid – 19 while unfurling of the National Flag.
2. The meeting is headed by the president Sh. Chandra Shekhar Juyal at a open space at Parivartan Public School campus. The outbreak of corona has stopped all the functions of everybody and affected all working, productivity, learning of students and economy of everybody but this is a pandemic and no one can say or do anything for this. The whole world is facing the problem but we are lucky that our area has kept safe so far and require keeping itself safe and secure. Everybody is welcomed by the president.
3. Women and Youth Empowerment Programme: Although there is no income for any activity but the President Parivartan tried to make contact with the Horticulture Department Pauri and arranged some poly houses for active farmers of the area for vegetable growing during

offseason so that they may produce vegetables and fruits during winter and earn their livelihood. Only 10% amount they have to bear and rest 90% is the NABARD help. The beneficiaries are:

- | | | |
|-------------------|-----------------|-------|
| 1. C.S. juyal | village Kanda | one |
| 2. Jagat Singh | " | one |
| 3. Beena Devi | " | one |
| 4. Abhishek Bhatt | village Deval | two |
| 5. Naresh Bhatt | village Katliun | Three |
| 6. Yogesh Bhatt | village Katliun | two |

4. Parivartan Public School: The school is closed since 13th March, 2020. Even the annual examinations of the school were not completed but after the government directions all students have been promoted to next classes. The teachers were requested to teach the students online but unfortunately every student does not have the proper internet connectivity and the gadgets like android cell phones. Even then the teachers tried to give those instructions and guidance about the lessons. Unfortunately a trend on social media trolled on the issue of school fees. If there is no schooling or classes then no fees and the government also made directions for not charging the fees but has not cleared about the payments to the teachers and the staff. The result is no payments to teachers and the staff so far. Since April, 2020. Even some parents did not clear the dues of last session possibly they were not in condition to clear the dues. Parivartan School is a small school having very few students and not in position provides salaries to its staff without income. There are very few supporters and donors although the school has been providing free education to some economically weaker students who are socially backward, orphans, victims or survivors of natural disasters and road accidents. Even we are trying to convince the problem before worldwide donors to support the school for free education. The concept of this school is a Gurukul (residential school) where skills will also be developed from schooling so that the students can learn the way of earning since their schooling and that is the need of the area.

We also are thinking to start residential programme for those students who are very far from of the hill area and unable to reach school from their villages so all the members of the organization to make their contact to their circle for donation to the organization as the members of the organization, Mr. Bhagwati Prasad, Bindumati Juyal, Sumangali Bhatt like persons have helped the organization time to time. We need the donors, corporate and such organization to support the school for free education to students of these marginal farmers and weaker section of this hill area which is facing an acute problem of migration.

The students who are getting free education will be continued accordingly and now it is decided that single child of SC BPL will be befitted.

5. Parivartan Scholarship: The organization has started this year a scholarship for poor students specially girls who have passed their intermediate or equivalent of Kot block with the help of Mrs. Savita Singh Dawe who herself made contact to the president Sh. Chandra Shekhar Juyal and put the idea of this scholarship. She also helped the organization for its school programme and assured to convince the matter before her friends. The house appreciated it with clapping. It

is also informed before the house that the test of this scholarship will be on 23rd of August, Sunday and the merit list of the candidates will be declared by the end of this month. The scholarship is 20000 rupees per annum maximum and will be for three years as madam Dawe declared.

6. In the meeting it is also decided that Madam Savita Singh Dave who belongs to village Kapar, Kandwalsyun, Kot block, Pauri Garhwal as her paternal family and presently residing in Canada willing to help the organization will now an active member of Parivartan Grameen Samaj Sevi Sanstha. The Board of the organization welcomed her as an active member and wants to authorize her to register Parivartan Grameen Samaj Sevi Sanstha in any forum of the government of Canada or any other institution, trust, organization, corporations etc. to help the organization and its activities of social development or raise the funds for the activities of the organization.

7. Mr. Harish Sharma a new member of the organization is also requested to help the organization to start its activity in electric bulbs, Diwali lights, solar lights or gadgets making in its campus so that the rural youth can be engaged in working and skill development. He has been requested by the presence to arrange the fund from the donor of his company or other to start this programme this year.

In the last the president thanked all the presence and for their dedications and valuable services toward the needy of the area. The meeting is adjourned.
